

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Chief Administrative Officer

At its meeting held June 13, 2006, the Board took the following action:

66-C

Supervisor Antonovich made the following statement:

“Side Street Projects (SSP) is a visual arts nonprofit organization whose mission is to give artists of all ages the ability and means to support their creative endeavors. SSP serves in excess of 1,000 children each year from diverse communities and varying socioeconomic levels throughout Los Angeles County.

“SSP is also a mobile organization operating an ‘Education on Wheels’ program that holds art classes in buses to teach woodworking to children. SSP is in need of a parking facility for overnight storage of two of these buses and has requested authorization for the use of a portion of Internal Services Department’s surface lot located at 1110 North Eastern Avenue in Los Angeles.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried (Supervisor Knabe being absent), the Board took the following actions:

1. Made a finding that a portion of the parking facility located at 1110 North Eastern Avenue is not currently needed exclusively for County purposes;
2. Made a finding that the license is categorically exempt under Class 4 of the County's Environmental Guidelines, and that the Education on Wheels Program will meet the social needs of the population of the County and will serve public purposes; and
3. Directed the Chief Administrative Officer to negotiate and execute a gratis license agreement with Side Street Projects for bus parking, not to exceed a period of two years, and include a provision for cancellation of the gratis license agreement at the discretion of the County.
